NARRATIVE:

Willie Ovarll is a documented gang member with an extensive adult criminal history that began at the age of 20. His convictions include carrying a concealed weapon, domestic violence with injury, petty theft, battery, possession of marijuana for sale, burglary, welfare fraud, possession of narcotics and being a habitual traffic offender-suspended license. He has served multiple state prison terms, the longest being a 16 month term for carrying a concealed weapon. Ovarll was released from state prison to the supervision of the Los Angeles County Probation Department on Novemebr 12, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Ovarll qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for carrying a concealed weapon is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
